The MACOC's focus is on not only the growth and development of its businesses but also its community. The project will completely redesign and configure the MACOC website with the City, chamber members and citizens' needs in mind. It will be a resource for all who visit the site and most importantly promote the Mosinee Area as a destination, a place to live, work and play. A new feature will be a place for member ads and calendar. The website will showcase Mosinee's history that makes it so unique as well as demonstrates its ability as a great community.
