## Village of Kronenwetter News

The Village of Kronenwetter was once again named to the list of Top 50 Safest Municipalities in Wisconsin for the third straight year in a row! The Village is very proud of consistently being named to this prestigious list. Take pride in the quality of life we all get to enjoy here in our area!

Have you seen the construction activity at the corner of Old Hwy 51 and Gardner Park Road in Kronenwetter? Well that is the site of a new Wausau Tile expansion project! Construction was started in early August and the site is really starting to come together. The first phase will consist of a 100,000 square foot manufacturing facility that will allow Wausau Tile to meet the demand for their paver block product and leave room on the site for possible future expansion. The building will be located on the east end of the lot near Old Hwy 51 with screened storage of product on the western portion of the lot. The Village is very excited to welcome Wausau Tile to Kronenwetter!!

## Healthy Haunting Held October 24th

The Mosinee Area Chamber of Commerce hosted Healthy Haunting as a healthy option for Halloween. The event was held Saturday, October 24th at the Mosinee High School in the Creske Center Gym. The area magically changed in to various fun-filled booths with activities and special treats for the approximately 300 children that attended!

Our thanks go to all that attended the event, the community, volunteers and businesses that offered their assistance and by providing this healthy alternative for Halloween!

### Thank you to donors, sponsors & booth providers:
