July 4th, 2018 Independence Day Parade

Participant Information & Guidelines

- Route Description: The parade will begin at the corner of 4th & Jackson and proceed East on 4th until reaching the stoplights at Main & 4th. The parade will then move North on Main, to West on 11th Street ending the parade at the Mosinee High School parking lot. The Dream Flight USA Shuttle, horse riders. Children's bikes and wagons may enter the park when passing.
- Line-up Instructions: All parade participants will be lined up on 5th & Jackson. Requests for special line up will be honored (VFW will lead the parade followed by Little Bull Falls trolley).
- Candy and treats or prizes **must not** be thrown from vehicles, dropped in piles in the road, or thrown up into crowds (for example soda cans). To do so creates a major safety hazard due to the moving vehicles. Please carefully hand these types of items out to spectators by having walkers accompanying your entry. Kids (and even adults) love the treats but we don't want anyone injured trying to get them.
- Remember to keep a reasonable distance from the entry before you. Two car lengths is a good approximation. The parade will stop at times, so keep this in mind and make sure drivers of vehicles are alert to what's happening ahead.
- For the sake of other participants, clean-up crews **must accompany** entries with animals.
- No entries will be accepted that have demonstrations that have to stop the parade to be performed.

*All liability is waived to the Mosinee Area Chamber of
Commerce, Inc. and the City of Mosinee*

Line-up Starting Time: 5:30 P.M.

Parade Starting Time: 6:00 P.M.

Please contact the Chamber if you have any questions
